

# EPA and re-sit price list

Our transparent pricing structure means that you can be clear on your finances, with no charges until the apprentice is confirmed at Gateway.

Our flexible approach allows you to choose the delivery method that will best support your apprentice. With no rescheduling fees, many re-sits significantly reduced and the first Multiple Choice Questionnaire resit free of charge, we're doing everything we can to help you and your apprentice succeed.

Whether you choose face to face or digital as your preferred delivery method, at present, all observations are carried out face to face and all portfolios/learning journals/reflective journals will need to be submitted digitally.
